Who Should Attend: All riders wishing to join the FSU Dressage team as competitive members, non-competitive members or those who are interested in getting more information about the team and how it works should attend!!

Attire: Please come dressed to ride. If you don't have riding attire, please let the coach know so that arrangements can be made for you. The barn has a few helmets and paddock boots that can be loaned to those who don't have their own.

Info: Dressage Team tryouts will be structured like an IDA show. Riders will draw horses names and will demonstrate their riding abilities. If you have zero riding experience or do not wish to be on the competition team, you will get to ride and have a mini lesson at the end of tryouts. Waivers must be signed prior to attending tryouts or can be signed at tryouts. The waivers are on the Iron Star Equestrian website - (www.ironstarequestrian.com).

Tryouts are to place riders wanting to compete in their proper divisions. It also will give you a spot on the show team. There are 7 spots on the competition team. If you don't want to be on the competition team, you should still attend tryouts to meet the coach, see the barn and meet your fellow team mates!

Looking forward to seeing everyone there!
